ReStore's floor - saying "Replace me!"

Help Replace ReStore's Floor

It's danced on. It's wheeled on. It's walked on and served on.

It supports the whole ministry.

It's the ReStore floor, and it needs your help.

ReStore's floor is no longer safe, and must be replaced.

Please make a donation now, to rebuild ReStore's foundation.

Send a check **to ReStore** earmarked for the floor campaign, or donate at **Quest Federal Credit Union**.

ReStore's Summer: Building Community

This summer, ReStore will be active throughout Ada. "We are reaching out into the community, trying to do what the community needs," explains Dana Walters, executive director. "We are not just being in ReStore but being out there helping with other events, outside our four walls."

Here are some of the planned activities:

Picnic in the Park

ReStore provides free lunch and games and activities for children daily. All are welcome.

Picnic in the Park runs from June 1-August 17, noon-1:00, at War Memorial Park.

Thank you to Padrone's Pizza for their third year of providing our Friday lunch in the park.

Family Fun Fridays

ReStore will provide concessions at the Freed Center's summer movies. Join us for popcorn, pop, and cotton candy.

The schedule is **June 5**, Frozen; **July 3**, Toy Story; and **August 7**, Alexander and the Terrible Horrible, No Good, Very Bad Day. All movies are shown at dusk on ONU's "Tundra."

Thank you to Quest Federal Credit Union for supporting ReStore's concessions.

ReStore's Summer continued

Ada Farmer's Market: Join ReStore at the Ada Community Farmer's Market. The market begins June 4, and will bring the bounty of the countryside directly into Ada. The market is every Thursday, 3:30 – 6:30, at the Ada Historic Railroad Depot. Interested vendors, please call 419-558-1015.

Gospel Sing: Ada's 4th Annual Gospel Sing offers an evening of music and fellowship for singers and listeners. The Gospel Sing is June 27, 4:00, at 2845 Heritage Place. For more information, call 419-233-4476.

Community Garden: Just off Main Street, 12 gardeners are working together to create an oasis of flowers, fruits and vegetables. "All the gardeners are very cooperative in helping weed and watching over each other's gardens," says Karen Ward, one of the three garden coordinators (with Melissa Eddings and Beth Gray). Future plans may include a mural, capturing the garden's energy in art. Participate in the garden or donate to its efforts (checks can be made out to ReStore, earmarked to Community Garden).

Profile: The Euchre Club at ReStore

ReStore provides an open door to many community groups, from 4-H Tech Wizards to Ada Senior Citizens.

Every Monday, it's the turn of the Euchre Club. The Euchre Club plays a regular game Monday afternoon, with tournaments on the third Wednesday of every month.

"We enjoy playing and enjoy each other," explains Julia Allen.

Others are welcome to join, and skill is not required — though "we prefer they kind of know how to play," says Chloe Cole.

ReStore has become the group's meeting place because it's centrally located, clean, and full of nice people, group members say.

Chloe Cole, Julia Allan, Lila Bass and Phyllis Scott play Euchre at ReStore

And there are side benefits, Lila Bass notes: "Once in a while, one of us will disappear and they're over [in Marco's Closet] hunting clothes."

Would your group like to meet at ReStore? Call 558-1015 or stop by.

ReStore Activities
