2548
industry credentials earned in 2023

Retail student-run businesses open to the public:

The Salon at Apollo

The Spa at Apollo

Garden Café

Admissions requirements are a minimum of eight credit in academic courses and a student must be on track for graduation (two English, two Math, one Science, one Social Studies and two additional required courses)

Students can earn college credit through **dual** enrollment and post-secondary options, in addition to licenses and certifications. These opportunities save students and parents time and money after graduation.

Apollo Career Center will prepare students to be next ready to have a positive impact in our community.
